Product Description

The Cascades PRO Tandem™ Mechanical No-Touch Roll Towel Dispenser meets all the challenges of the modern facility and is designed to improve hygiene, while lowering operational costs. The design textured finish of this dispenser reduces cross contamination and leaves user with a feel good experience. All of these features make the Cascades PRO Tandem Mechanical No-Touch Roll Towel Dispenser an ideal solution for breakrooms, kitchens, cafeterias, and restrooms across the education, retail, industrial, foodservice, and office building markets. This sleek and modern design not only looks great in dark gray, but is functional and efficient as well. Complete with a built-in stub roll, this dispenser uses 100% of every roll, reducing waste and increasing hand dries. Featuring a quick check design, the Cascades PRO Tandem Mechanical No-Touch Roll Towel Dispenser allows customers and custodial staff to quickly recognize when it's time to refill, without having to open the unit. The color coded refill system provides custodial staff with the ability to quickly reload and alleviates customer frustration with a 99.9% jam-free promise. Additionally, a fast and simple dual lock can be changed from an easy-match key-lock to a push button using the slide button. The Cascades PRO Tandem Mechanical No-Touch Roll Towel Dispenser conforms to ADA guidelines when properly installed.
