AutoJanitor™

Continuous Cleaning & Deodorizing System for Toilets and Urinals

- Enhances Cleanliness and Image Round-the-Clock
- Easy In-line or Drip Installation
- Continuous Odor Neutralizer
- World-Class Reliability
- Optional Drain Maintenance Refill (BioFlush®)

AutoJanitor™ - Continuous Cleaning and Deodorizing System for Toilets and Urinals

The AutoJanitor cleans and deodorizes toilets and urinals while providing a clean fresh scent for the restroom.

Always Clean

- Programmable dispenser operates round-the-clock automatically cleaning fixture surfaces, day and night
- Concentrated foaming action cleans and reduces bacteria growth everywhere the water goes
- Enzyme based formula prevents scale build-up in drain pipes

Always Fresh

- AutoJanitor innovative dispenser wick's a clean, fresh scent

Always Odor Free

- Continuous cleaning eliminates odors at the source
- Powerful formulas reduce the breeding ground of bacteria - the source of odor problems

Battery Life - Flashing Yellow Light = Indicates Operation

Refill LED - Flashing Red Light = New Refill Required

On/Off Switch with Audio Alarm

Programmable Switches

Up to 1 Year Battery Life
