

BAG BOA[®]

BAG CUTTER AND SQUEEGEE

BENEFITS

SAFETY BLADE
REDUCES RISK OF ACCIDENTS

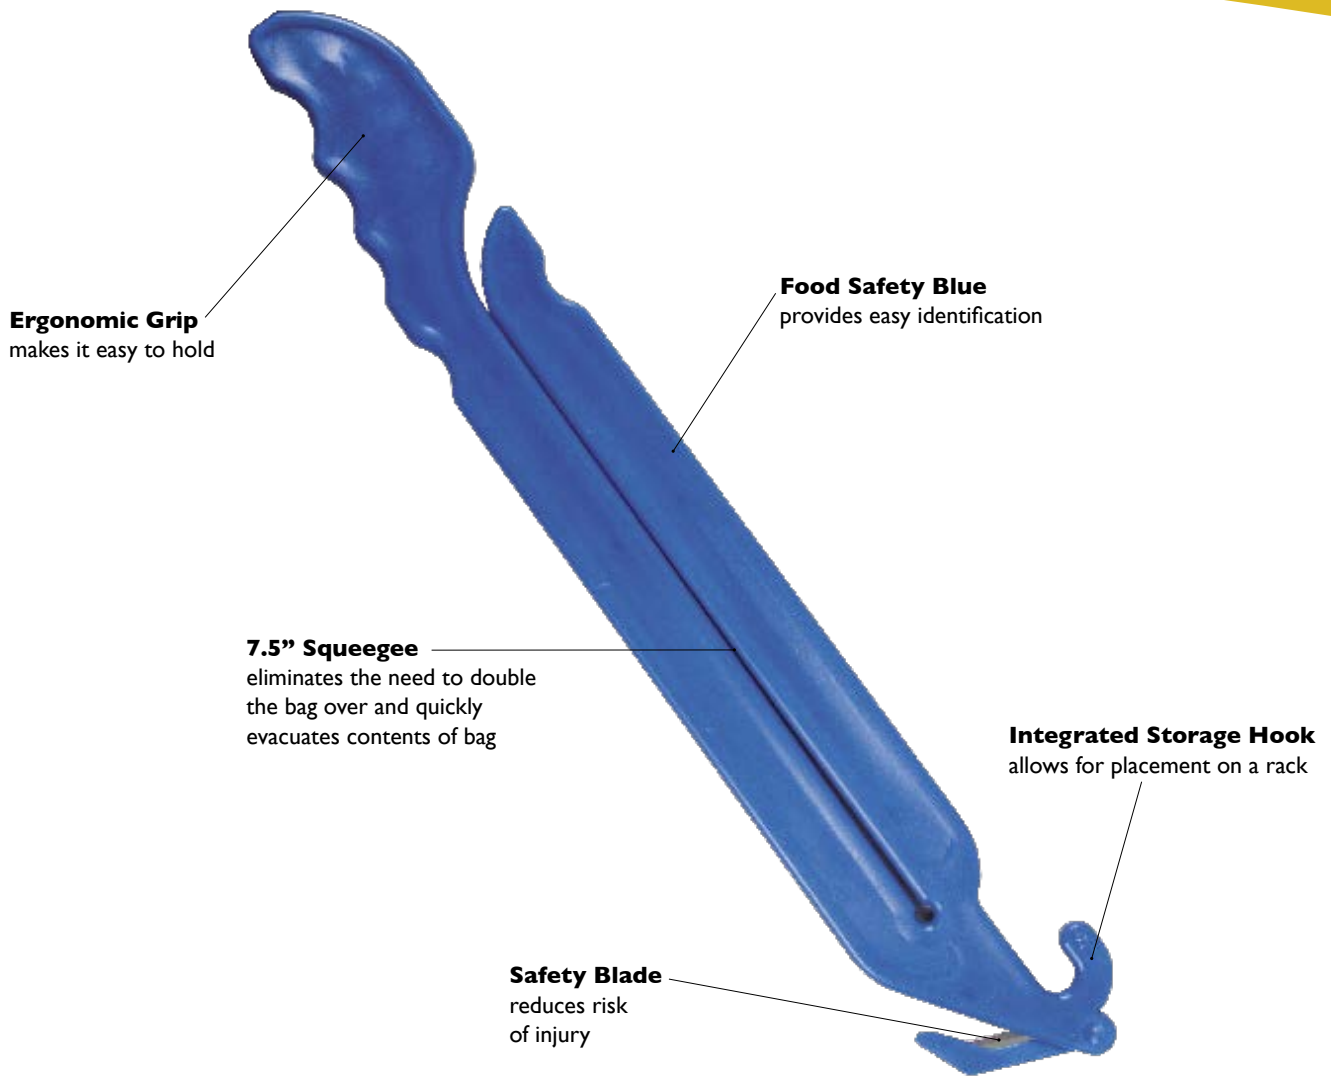

INTEGRATED SQUEEGEE
ELIMINATES FOOD WASTE

Using scissors or an open blade to cut food bags not only poses a safety risk to staff and patrons, but it can also create waste by leaving unused food behind.

Prevent workplace incidents and keep unwanted foodwaste to a minimum with the Bag Boa[™] (Bag Cutter and Squeegee) from San Jamar. Featuring a unique safety blade design to reduce risk of hand injury and a durable polypropylene construction to prevent breakage, the Bag Boa makes safe opening of sealed food bags simple.

The ergonomic handle makes for easy ambidextrous use while the 7.5" squeegee removes the contents of even large bags in their entirety. The Bag Boa also features an integrated hook allowing for easy and safe storage when not in use.

Item	Color	Description	Squeegee Length	Dimensions (L x W x H)
BB100	Blue	Ambidextrous	7.5" (190.5 mm)	13.5" x 1.75" x 0.25" (330.2 x 44.45 x 6.35 mm)
