

# FreeFlex® CORDLESS/CORDED UPRIGHT

Lightweight, easy to use, and battery powered, the 11.75" FreeFlex takes upright vacuuming to new heights.

# NEW STANDARD IN UPRIGHT INNOVATION

**GO ANYWHERE FREEDOM**  
Easily install the battery for 72 minutes of continuous cleaning in and around obstacles

## UPGRADE YOUR UPRIGHT

### The ProTeam Advantage

ProTeam introduces the new standard of upright innovation, the FreeFlex, battery-powered hybrid upright vacuum. A state-of-the-art Lithium Ion battery provides approximately 72-minute runtime with the option to plug into an outlet for ongoing cleaning. Cordless cleaning improves safety and eliminates time-consuming cord management tasks for a focused clean. You will be surprised how far you can go with this latest technology by ProTeam.

**"Easier to use and saves time."**

JACOB SHAW | URBANA, ILLINOIS

**"Feels like it has more power, easier to handle and move around."**

JANE BRIGGS | KANSAS CITY, KANSAS

**AT YOUR FINGERTIPS**  
Ergonomic lightweight handle with on/off switch and high/low operation

**DURABLE VACUUM BODY**  
Dense and flexible foam is ready for daily wear and tear

**EXCLUSIVE ANIMATED DASHBOARD**  
Alerts user to brush roll and battery level

**LOW PROFILE**  
Compact design lays flat to clean under furniture and obstacles

**CORDLESS PRODUCTIVITY**  
Eliminate cord management tasks and remove potential tripping hazard

**EASE OF USE**  
Fold out door makes installing the filter easy and cardboard moves to cover filter opening for removal without mess

**PICK UP AND GO**  
Soft carrying handle allows for easy and comfortable transportation of lightweight size (17.5 lbs with battery, 13.9 lbs corded)

**FOUR LAYER FILTER BAG**  
Synthetic cloth filter resists puncture while triple-stitched edges help prevent tripping

**CONVENIENCE AT HAND**  
Each FreeFlex comes equipped with a clog tool for easy removal of clogs.

**"No cord to trip on, get hung up or continually plug/unplug."**

CARLOS GORDON | ST. LOUIS, MISSOURI

**"Powerful, edge-to-edge cleaning."**

JACK BROWN | HAMMOND, INDIANA

# FLEXIBILITY IS IN THE NAME

## Safety First

Reduce tripping hazards by removing the cord for safer vacuuming around busy lobbies and occupants. Cordless cleaning eliminates cord management tasks and allows the cleaner to take the most productive path.

CERTIFIED  
BRONZE

## Ready to Operate

The FreeFlex was created by the company with over three decades of experience creating productive, durable, and innovative vacuums. This NEW cordless unit features no tool assembly and easy maintenance with a multi-year warranty to back it up. The intuitive design is simple and easy for any user to operate effectively without training. The FreeFlex also has excellent pickup power on entry way mats and the added bonus of going where outlets cannot be found.
