

# Motorized Tilt Trucks

# Smarter Power

## Save time. Save money. Save backs!

Rugged Rubbermaid Commercial Products structural foam tilt trucks are driven by a powerful DC motor, powered by sealed, zero-maintenance batteries.

With variable speeds up to 3 mph and two paddle controls, these motorized tilt trucks are safe and simple to operate. Includes key to prevent unwanted operation.

Ergonomic handle allows for safe continuous use.

Structural foam construction makes these tilt trucks durable and easy to clean.

Up to 5 hours of operation (15 miles) on a single charge.

Will stay in tilted position for easy loading and unloading, which helps reduce back strain.

On-board storage for the external charger allows battery to be recharged at any standard 120v wall outlet.

Easy access to the motor and batteries.

Optional lid available for concealed, secure transport.

No.	Description	Product Dimensions	Weight Capacity	Color
1020	1/2 cu yd (500 lbs)	57.4" l x 26.8" w x 35.8" h	500 lbs	BLA
1021	1 cu yd (500 lbs)	70.8" l x 33.6" w x 43.3" h	500 lbs	BLA
1022	1 cu yd (1000 lbs)	70.8" l x 33.6" w x 43.3" h	1000 lbs	BLA
