

LATITUDE™ NBV 240 / 290

Battery Powered LATITUDE™ Canister Vacuums Now with 2 Speed Motor

Cordless operation improves productivity over 50%, making both units excellent for daytime cleaning and perfect for congested or occupied public areas.

NBV 240 and NBV 290 Key Features

- Noise levels of only **49 dB(A)**, make the NBV 240 and 290 excellent for daytime cleaning and occupied areas
- Eliminates accidents, such as tripping, commonly associated with power cords
- Superior soil recovery prolongs carpet life
- Motor lasts in excess of 2,800 hours and is backed by an industry leading 5 year commercial warranty
- **90 minute run time** with consistent power throughout the entire discharge
- The **NX 300 Pro** battery charges in only 2 hours and is interchangeable with all NaceCare commercial battery vacuums
- Power switch and battery status gauge are conveniently located on the front of the machine for easy reach and visibility
- 99.97% efficiency improves indoor air quality and reduces dust
- Weighing only 15 pounds, the NBV 240 is compact and lightweight, with on-board tool storage
- The NBV 290 has a structural foam tank for durability and built-in cart for easy transport of other cleaning supplies or a second battery
- Specially designed floor tool supports “back and forth” or “side to side” cleaning
- Stainless steel telescopic wand is standard
