

UNIVERSAL ABSORBENT GARAGE GUARD POLY BACKED INDUSTRIAL RUG

- ISSUE:** Leaks, drips, sprays and spills can cause damage and stain surfaces under automobiles, lawnmowers and motorcycles. Workbenches, shelves and walkways are vulnerable to damage caused by spills and moisture.
- SOLUTION :** Develop a spill control plan with absorbent products readily available to control daily leaks and spills around your garage or plant to use in case of an emergency.

Description: OIL-DRI Garage Guard and Poly Backed Industrial Rug shields and protects garage floors and work surfaces by absorbing fluids without allowing them to penetrate the non-slip poly backing.

FEATURES & BENEFITS

- Packaged for Retail Sales – Eye catching bi-lingual label has great shelf appeal.
- Industrial Strength Poly Baking – Won't rip or tear even when saturated
- Surface Protection – Liquids can not penetrate poly backing.
- Cuts Easily to Any Shape for Multiple Uses – Use as vehicle trunk liner, floor mats, door mat or walkway runner.

PRODUCTS SPECIFICATIONS :

- Composition: Needle punched Polypropylene
- Color: Grey/Noir
