

# SlimJim

Slim Jim® Tool Clips can be arranged in hundreds of different configurations for adaptable onboard storage. The clips easily attach onto the rim of any Slim Jim® container or the tool rails of the Slim Jim® Rim Caddy.

### Features and Benefits:

- Slim Jim® Stick Clip: Ideal for storing and transporting brooms, dustpans, flat mops, and other long-handled tools
- Slim Jim® Wide Hook: Ideal for storing and transporting safety signs, linen bags, and microfiber cloths
- Slim Jim® Peg Hook: Ideal for storing and transporting dusters, scrub brushes, and other small hand tools

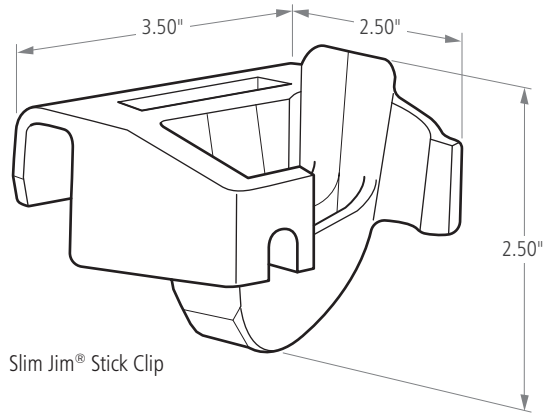

### Material Composition:

- Injection-molded with high-quality resin

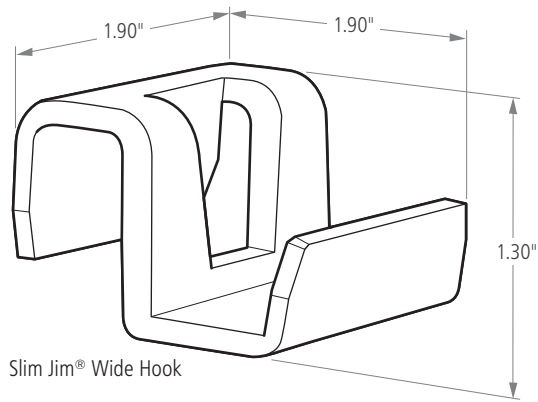

### Compatibility:

- Compatible with 16-Gallon and 23-Gallon Vented Slim Jim® Containers and the Slim Jim® Rim Caddy
