TGB516

With 45–60 minutes of run time an interchangeable battery pack and 5-gallon solution capacity, the TTB 516 is the professional choice in compact auto-scrubbers. It gets into all those tight areas that other auto-scrubbers cannot. Essentially, it is a complete replacement for a mop and bucket system for so many reasons.

Key Features

Pivoting squeegee coupled with a 300-watt/0.4 hp vacuum motor provides excellent water recovery Recovery tank has a drain allowing for easy draining without the need for lifting Control panel provides operator with water, vacuum

Control panel provides operator with water, vacuum and battery status all in one convenient place
The battery pack consists of a 1 x 12 volt 18 amp hour environmentally preferred gel battery that charges in under 5 hours. It is completely maintenance free, emits 1/40 of the hydrogen gas of wet lead acid batteries, is spill-proof and can be charged anywhere
Fits into the trunk of a car
