Tork Advanced Multifold Hand Towels provide the right combination of quality, performance and value. Multifold design provides for less towel consumption leading to source reduction, storage space savings, and lower overall costs. Ideal for medium traffic washrooms, fits small spaces and provides both comfort and hygiene to your guests. Fast absorbency and "no touch" service helps to control usage, so you save on reduced waste and maintenance time while offering sanitary conditions. Embossing enhances hand feel and maximum absorbency. High-performance towels mean customers use less, resulting in greater cost savings and reduced waste. Made from 75% recycled fiber and contains a minimum of 40% post-consumer waste, providing environmental benefits and a positive image builder.
