

TTB2120

Compact and effective

The TTB 2120 provides the maneuverability of a walk-behind with the productivity of a ride-on. The 21 gallon tanks mean fewer refills and higher productivity when compared to similar models. The TTB 2120 provides up to 2.5 hours of run-time from a single charge. The on-board charger allows it to be charged anywhere. Because of its compact design it can be stored in the same closet as a walk-behind.

Features

- 20" cleaning path
- 21 gallon capacity
- Up to 2.5 hours of run-time (with 52 lbs. of pad pressure)
- Cleans up to 30,000 sq. ft / hr.
- Gel batteries are standard
- Plug in anywhere with the on-board charger
- Stores in the same closet as a walk-behind
- Stainless steel chassis
- The rear wheel drive system ensures greater ramp climbing ability up to 11 percent
- Quiet at only 70 dB(A)
- Backed by our comprehensive 10/2/2 warranty
