

WAVEBRAKE® EXECUTIVE SERIES™ BUCKET AND WRINGER

With features that surpass traditional mop buckets, the new generation WaveBrake® helps to clean floors with less effort to get the job done safer, without sacrificing quality and durability.

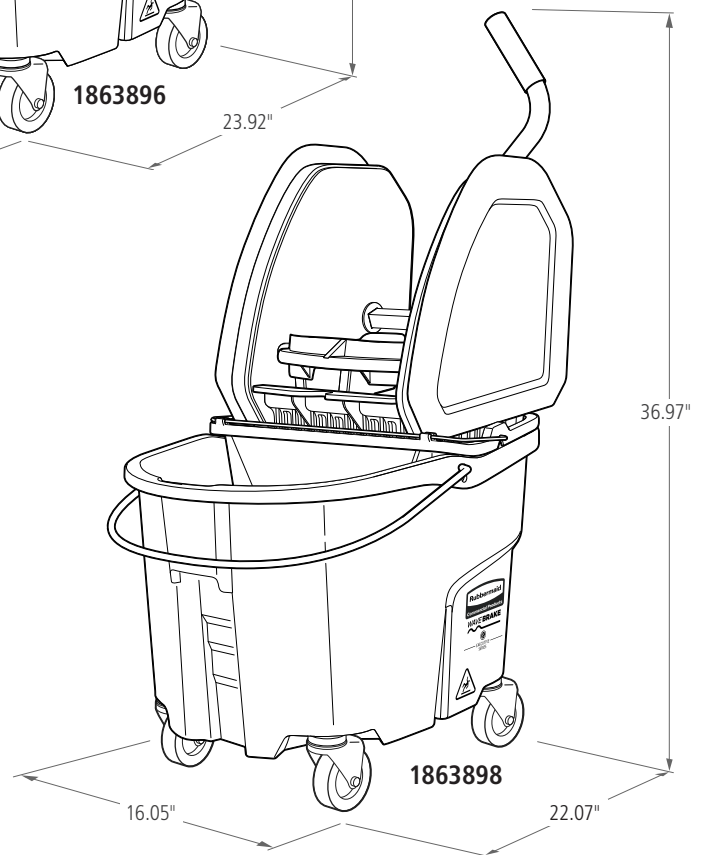

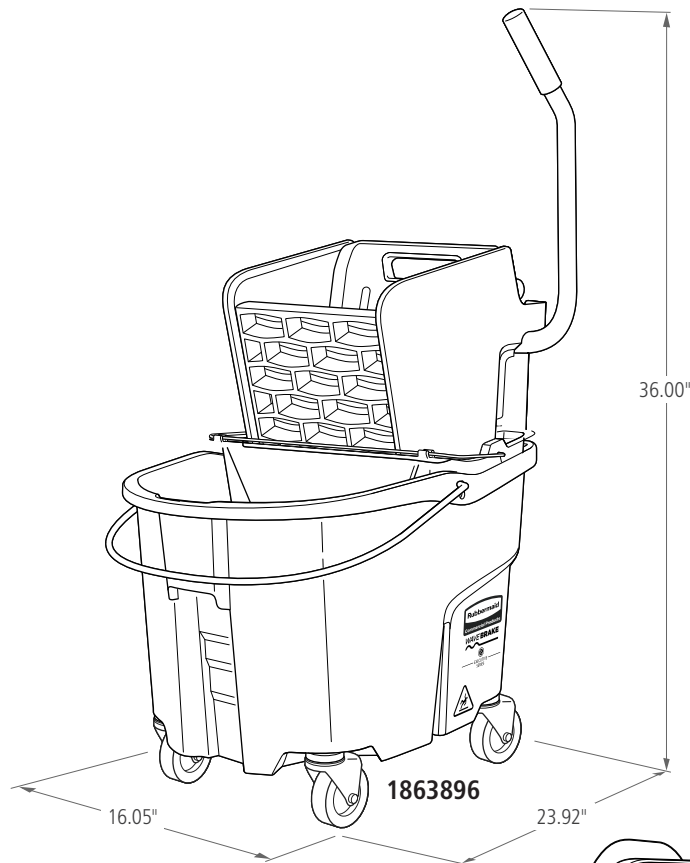

Features and Benefits:

- Up to 80% less splashing.* Patented WaveBrake® baffles result in less splashing while mopping and maneuvering, helping to create a safer environment for patrons and staff
- WaveBrake® wringers are guaranteed to last 5 years or 200,000 cycles
- Integrated handles and sink ledge make it easy to lift and empty the mop bucket with less strain
- Pour spout helps prevent water from spilling on to floors while emptying dirty water
- Integrated wringer-guides ensure a secure connection to mop bucket, providing stability while wringing and maneuvering
- Non-marking casters will not scuff floors to keep them looking their best
- Executive Series™ WaveBrake® incorporates quiet casters to clean discreetly
- Executive Series™ WaveBrake® bucket includes dirty water bucket that nests below the wringer to keep dirty water separate from clean

*versus competitive 35Qt U.S. single compartment mop bucket and wringer, not including divider bucket and accessories.

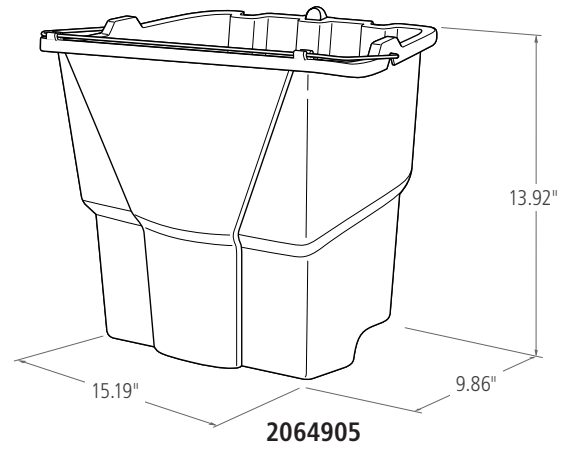

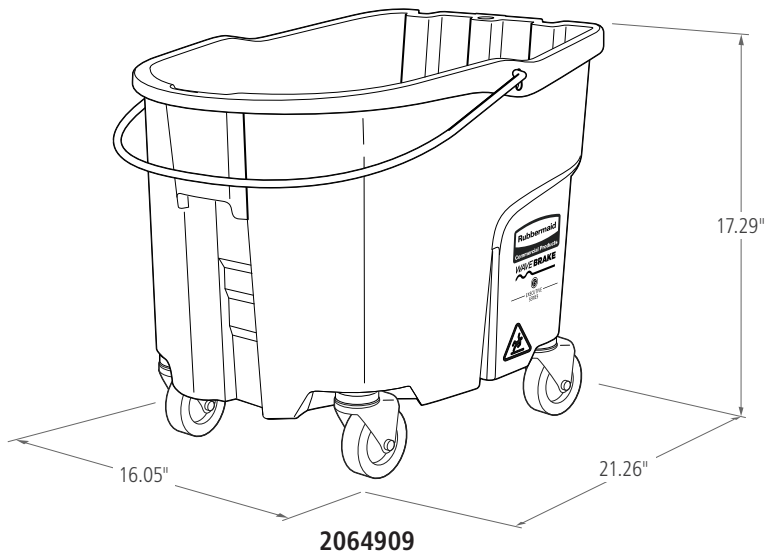

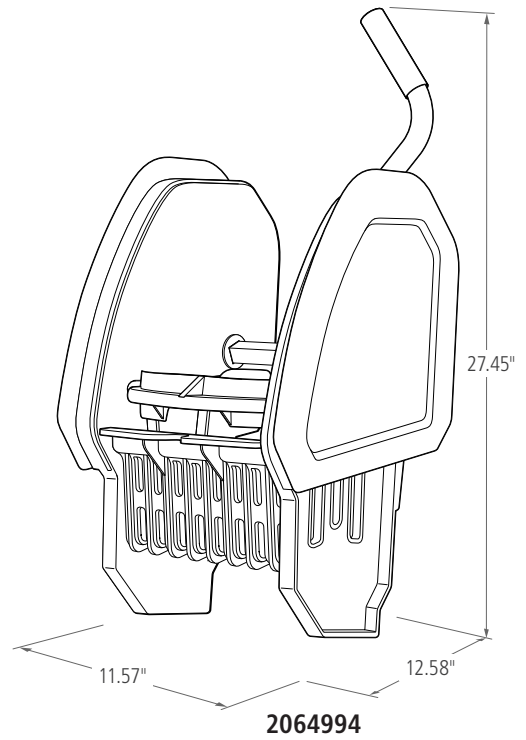

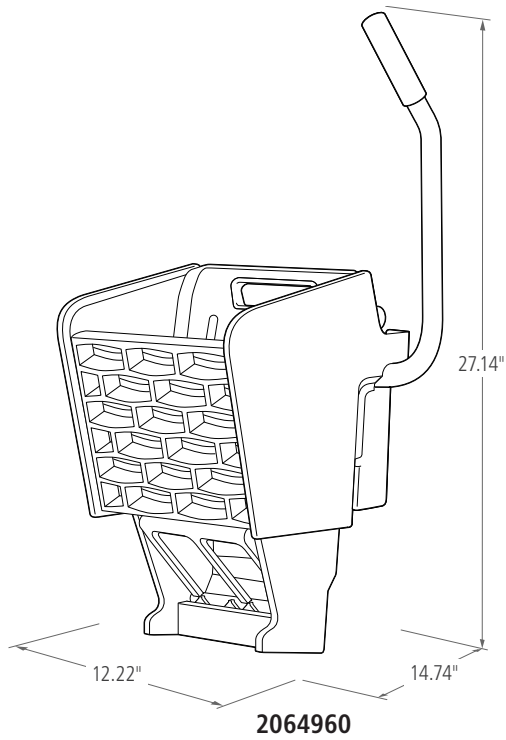

Material Composition:

- Bucket and wringer are made with structural web-molded plastic
- Wringer and bail handles are made with steel
- Back of bucket red handle is polypropylene
- Dirty Water Bucket is high-pressure injection-molded plastic
