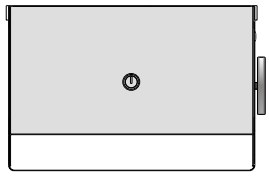
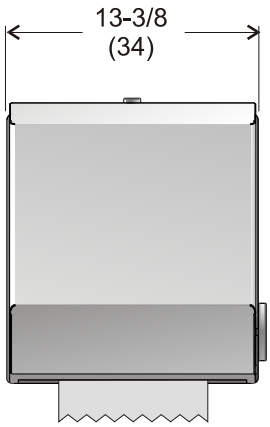
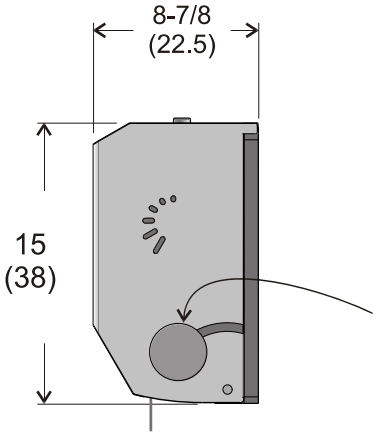
Hands Free Towel Dispenser, Surface mounted

Code 109-60W: White epoxy powder finish
Code 109-60S: Stainless steel, no. 4 finish
Code 109-60P: Smoked polycarbonate cover

Overall dimensions in inches, (centimeters in brackets).







Specifications

Site location:
- Ideal for high traffic areas.

Dispensing:
- When pulling on the exposed length of towel the touch free dispenser will automatically cut an 11” (27cm) length, leaving a 3” length of towel to grab onto for the next dispensing action.
- Hands free dispenser reduces paper flow, and provides maximum hygiene.
- Designed to dispense jumbo roll towels max. 8" diameter.
- Comes with keyed tumbler lock to reduce pilferage and vandalism. Front loading for easy service and maintenance.

Materials:

Code 109-60W:
- All welded construction of 22 ga. cold rolled steel, in white powder coat finish.

Code 109-60S:
- All welded construction of 22 ga. stainless steel, no. 4 brushed finish .

Code 109-60P:
- Smoked polycarbonate cover.

Shipping Weight: 13.5 lbs. (6 kg). Code 109-60P: 10 lbs (4.5 kg)

Installation: For unrestricted access, bottom of unit to floor should not exceed 43" (109.2). Mounting screws provided.

Description and specifications applicable on date issued. Frost reserves the right to make improvements or changes without notice.

Hygienic Solutions at Work

Frost Code 109-60 Loading Instructions

Step 1: Open the unit using key provided

Step 2: Insert jumbo paper towel roll (maximum diameter 8”)

Step 3: Slide paper end between outer bar and internal roller

5280 John Lucas Drive
Burlington, ON, Canada
L7L 5Z9

Tel: (905) 332-5700
Fax: (905) 332-7105
