

# Dexterity & Protection without Compromise

## Jackson Safety\* G29 Solvent Glove

When it comes to handling solvents, workers do not have to choose between protection and productivity.

- No more thin mil gloves that have to be changed every 15 or fewer minutes because they break apart.
- No more thick chemical gloves that create a challenge to get the job done.

The Jackson Safety\* G29 Solvent glove allows workers to do their job in a safe and productive manner while providing a level of dexterity similar to thin mil gloves.

**Improved Dexterity. Reduced Exposure.**

**Over 70% of workers felt they were able to perform their tasks better with this glove<sup>1</sup>**

**Exceptional
