

Deb® Sun PROTECT

Perfume-free, water resistant SPF 33 sunscreen for professional use

Usage: Should be used on any part of the body exposed to the sun while working outdoors. Provides protection to those who tend to burn easily, or are exposed to the sun for extended periods.

Method of Use: Apply liberally to clean, dry skin every 2-3 hours, as a minimum, or more often if perspiring.

Features & Benefits

Pleasant to Use - Contains Vitamin E to soothe and condition the skin.

Easy-to-Apply - Leaves a non-greasy after-feel to retain dexterity with hand held tools.

Versatile - Can be used under clothing to minimize the risk of penetration of the sun's rays through the fabric on to the skin.

Softens and Soothes - Contains added skin conditioners & emollients, Vitamins A, E & Aloe Vera to hydrate the skin and leave it soft and smooth after use.

Perfume-Free - For high user acceptability and to not attract insects when working outdoors.

PABA Free - A non-irritating and non-staining formulation.

Rich Cream Consistency - Waterproof to withstand heavy perspiration or immersion in water.

Neutral pH Formula - Ensures compatibility with the skin and reduces the risk of any possible irritation.

Non-greasy - Allows the user to handle tools and maintain dexterity in all hand operations.

Performance Guide - Sun Protection Factor of 33 - provides 33 times the skin's normal protection against the sun's harmful UVA and UVB rays.
