

16 Gallon Bullseyes™

Techstar's 16 Gallon Bullseye™ Recycling Containers are designed to fit in small areas and are available with 2 lid configurations. The 549A is suitable for cans, bottles, drink boxes, coffee cups etc. with a hole diameter of 4 1/4" and the 549B is suitable for waste paper, newspaper and waste with a rectangular hole size of 4 1/4" x 14 1/8".

We stock these containers in blue but Techstar can mould in any of our standard solid colours at no extra cost. Sandstone, greenstone and granite grey are also available at no extra cost. Recycling labels are optional.

Techstar Bullseyes™ can be custom designed in 2 Paks, 3 Paks etc. to suit your particular application. Custom colours and your choice of lid configuration make it easy to create your unique and inexpensive recycling centre. Please call or email sales@techstarplastics.com for details.
