Product Description

The Cascades PRO Tandem™ Double Jumbo Roll Toilet Paper Dispenser meets all the challenges of the modern facility and is designed to improve hygiene, while lowering operational costs. Featuring a sleek, modern finish and a no-touch dispensing mechanism, it's perfect for use in busy restrooms across the education, retail, industrial, foodservice, and commercial building markets. It's 99.9% jam-free and offers fast and reliable dispensing to ensure the ultimate guest experience. The Cascades PRO Tandem Double Jumbo Roll Toilet Paper Dispenser offers

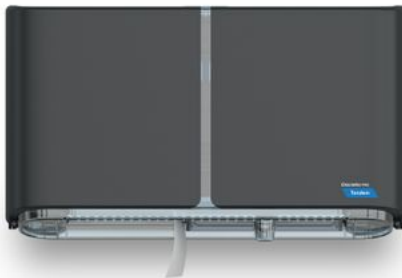

PRO

All clean.
All good.™

high capacity performance with 2 500 feet of 2 ply jumbo bath tissue for fewer change-outs - 25% more capacity compared to universal 9" double JRT dispensers. Both rolls are fully enclosed within the dispenser adding another level of hygiene for end-users. Featuring a quick check design, the Cascades PRO Tandem Jumbo Toilet Paper Dispenser allows customers and custodial staff to quickly recognize when it's time to refill, without having to open the unit. Non-sequential, hassle-free reloading results in reduced maintenance times and costs and minimizes roll handling. Additionally, a controlled system within the dispenser reduces waste by blocking access to the backup roll until the current roll is empty. A fast and simple dual lock can be changed from an easy-match key-lock to a push button option using the slide button. The Cascades PRO Tandem Jumbo Toilet Paper Dispenser conforms to ADA guidelines when properly installed.
