UNGER.

HOW TO CLEAN WITH OMNICLEAN

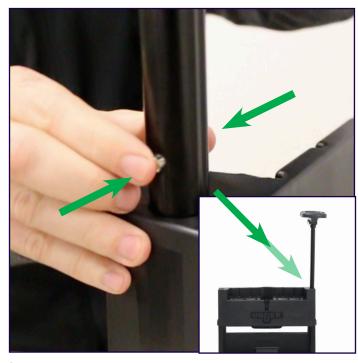

Caster Installation

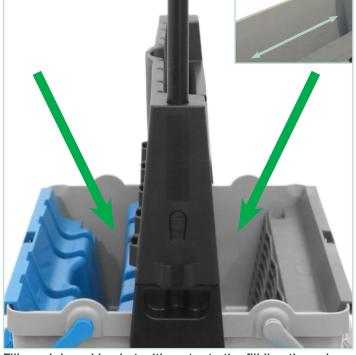

Push casters firmly into the base of the carriage.

Handle Installation

On the handle, press metal pins and guide into the carriage base until you hear a click.

Step 1

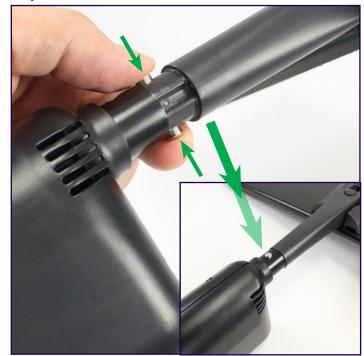

Fill scrub board bucket with water to the fill line then place bucket on carriage. Fill StayClean bucket with water and cleaning agent to fill line, place on carriage.

Step 2

Adjust the height of Excella pole to chin height: tighten the locking collar. *Excella pole may vary

Mop Head Installation

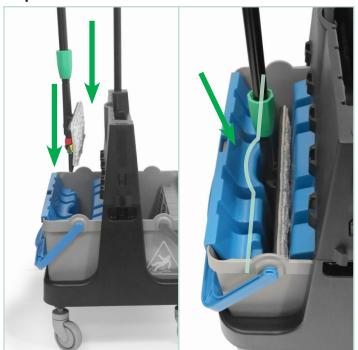

Press metal pins on mop pad holder into the base of the Excella pole until you hear a click.

Bucket Setup

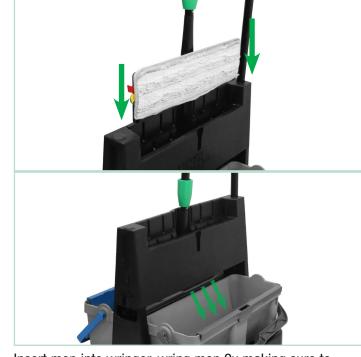

Place scrub board bucket on Unger logo side and StayClean bucket on the opposite side. (Grey = scrub board, blue = StayClean)

Step 3

Insert mop into StayClean bucket with mop pad facing the carriage to moisten the pad.

Step 5

Insert mop into wringer, wring mop 2x making sure to completely pull mop out of wringer each time.
