Product Description

With its 450 sheets, this high-capacity towel was developed to elevate hygiene practices while also improving general cleaning. Use it not just to dry your hands but also to wipe the counter clean and help prevent cross-contamination. The Cascades PRO Select® Utility Towel meets all requirements of your facility: it is sturdy, durable and portable, and its greater absorbency lets you eliminate small spills in a hygienic manner. This product is made from 100% recycled fibers and is ideal for large locations such as supermarkets, pharmacies, retail centres and office buildings.
