

**AUTOSOLVE**

**100% Active Engine Shampoo**

**DESCRIPTION**

AUTOSOLVE is a 100% active biodegradable liquid degreaser, that contains powerful solvents and emulsifying agents very effective against grease, transmission oil, hydraulic oil, stains from rust proof products, asphalt, ink stains, pine resin, glue etc. AUTOSOLVE has been specially formulated to be use as an engine shampoo and as parts cleaner. Its 2 in 1 formula, solvent degreaser is also very efficient for maintenance of mechanical shovel, trucks, garbage containers, asphalt panders (Beaver) and to clean concrete floors and graffiti on concrete walls.

**ADVANTAGES**

1. 100% active product contains no water.
2. Contains special additives and corrosive inhibitors that help to protect cleaned surfaces.
3. Non-corrosive.
4. Very effective emulsifier for grease, turning white to ease the rinsing.
5. Eliminates greasy and asphalt viscous deposits on metallic pieces and on motor of motorized vehicles.

**TECHNICAL DATA**

pH (as is).....	6.5 – 7.0
Density (20°C).....	0.80 g/cc
Colour.....	Yellow
Fragrance .....	None
Characteristic .....	Flammable
Biodegradability .....	Complete
Flash Point.....	53°C
Freezing Stability.....	Stable

Degradability determined in accordance with OECD no. 301D.

**DIRECTIONS**

**Engine Shampoo:** Apply AUTOSOLVE on the motor surface; it is preferable that the motor is hot in order to add efficiency to of AUTOSOLVE. Wait few minutes and rinse with cold or hot water to remove grease.

**Cleaning with a Parts Washer:** Add AUTOSOLVE (dilute 1oz / litre of water) in a parts washer and add parts to clean. Let the solution work few minutes.

**Concrete Surfaces Cleaning:** Apply AUTOSOLVE (pure) and brush the floor in order to make penetrate the product. Let work the product a few minutes and rinse with cold or hot water.
