

30 Gallon Bullseyes™

Techstar's 30 Gallon Bullseye™ Recycling Containers are designed to fit in spacious areas and are available with 2 lid configurations. The 559A is suitable for cans, bottles, drink boxes, coffee cups etc. with a hole diameter of 5 3/8" and the 559B is suitable for waste paper, newspaper and waste with a square hole size of 13 1/4" x 13 1/4".

We stock these containers in blue but Techstar can mould in any of our standard solid colours at no extra cost. Sandstone, greenstone and granite grey (shown) are also available at no extra cost. Recycling labels are optional.
