

Crew[®] Mean Green[®] Vert Extra

Heavy Duty Disinfectant Bowl Cleaner

Formulated to keep its extra strength formula on the bowl, even below the water line.

Features & Benefits

- Kills odor-producing bacteria found in and around toilet bowls and urinals
- Special HCl formula clings to bowl and below water line for tough stain removal

Applications

- For use in toilets and urinals found in hospitals, nursing homes, schools, colleges and hotels
- For use on hard, inanimate, nonporous surfaces such as floors, walls, porcelain, and plastic surfaces

Crew[®] Mean Green[®]

Heavy Duty Disinfectant Bowl Cleaner

Use Instructions

To clean and disinfect bowl and urinals

- Squeeze bowl cleaner on all porcelain surfaces. Cover all recesses and areas where stains can build-up under the rim, water outlets and drain pipe openings (30 mL).
- Allow bowl cleaner to stand for at least 10 minutes
- Swab and flush rinse

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up-to-date shipping information.
