

Deb TF Ultra™ Dispenser

Product Information Sheet

Description: Attractively designed, power efficient touch free dispensing system for use with Deb foaming hand hygiene products.

Usage: Suitable for use in any public facility washroom. Also, ideal for use in hallways, office and reception / lobby areas in conjunction with Deb InstantFOAM™ hand sanitizer and dispenser stand.

Method of Use: Simply hold hand under dispenser to activate. No touch required.

Feature	Benefit
'Touch Free' Dispenser	Encourages use and minimizes any risk of cross-contamination.
Versatile	Can be used on walls in washrooms, corridors and hallways or on Deb's free-standing stand.
Exceptionally Long Battery Life	The power provided by 4 D-Cell batteries will provide up to 5 years of operation in typical usage conditions.
Reliable	Uses the latest infra-red sensing technology for reliable operation to prevent misfiring; tolerant to skin colour, temperature, ambient light & humidity.
Robust & Long-Life	Dispensers are guaranteed against normal wear and tear for 5 years*. *Conditional on correct installation and care.
Large Capacity	Cartridges contain 1200ml of foam hand wash product providing approximately 1720 applications and 1000ml of Deb InstantFOAM hand sanitizer providing 1592 applications.
BioCote® Protected	Dispensers are protected by BioCote® a silver-based antimicrobial agent that is incorporated during the manufacturing process and inhibits the growth of a broad spectrum of bacteria and moulds. BioCote® does not rub-off and is effective for the lifetime of the dispenser.
Ultimate View Window	The attractive translucent covers provide unobtrusive visibility of the cartridge content level without opening the dispenser.
Colour Options	Available in a range of colours to match different decor environments.
Lock and Keyless Option	For maximum security the dispenser can be locked and opened with the special key provided, or alternatively it can be easily converted to a keyless, non-locking operation.
Integrated Catch Tray	Optional catch tray can be used to prevent product landing on floors if dispenser is accidentally activated or misused.

Deb TF Ultra™ Dispenser
