

Antibacterial hand soap

Dermaluxx* is a lightly cherry-scented hand soap containing emollients to cleanse, soften and moisturize the skin. The blend of cosmetic ingredients in this hand soap forms a rich, luxurious lather that removes dirt while leaving skin smooth and clean. Dermaluxx* is ideal for refilling Ingo-Man dispensers in public restrooms, shops, offices, industries, educational institutions, etc.

Advantages

- Does not irritate hands
- Light cherry fragrance
- Methylisothiazolinone-free
