Interior Cleaning Kit

Fast, efficient, simple.

Interior cleaning made easy

All you need for fast, efficient, safe cleaning of interior surfaces has been packed in one single easy-to-use kit. For glass partitions, stainless steel, mirrors, tables, whiteboards and many other surfaces – the solution is here. One kit for all – that's simplicity from Vileda Professional!

New materials, new challenges

Interior design has had a clear trend towards glass and high gloss surfaces on above the floor surfaces.

These surfaces require specific solutions that traditional cleaning methods do not meet, as they are:

- Large and very time consuming to clean with a cloth
- Touched by users resulting in greasy dirt and fingerprints which are difficult to remove
- Causing Health and Safety concerns
- Finished with high gloss which make smears and dirt easily visible

Simple to use

Just spray the Interior Pad, or the surface to be cleaned, with water from the trigger bottle and wipe the surface clean. There's nothing left behind but a streak free finish on all gloss surfaces. Effective on glass, mirrors, ceramics, plastics, laminates, stainless steel and many others.

For high, hard to reach areas the telescopic handle can extend to 90 cm, allowing safe cleaning over balconies or for users to reach up to 2.5 m

Double Sided – twice as effective

The Interior Pad is double sided to reduce the risk of smearing when pad becomes dirty – just flip the frame onto a clean side and continue cleaning.

The second side also allows larger areas to be cleaned without changing the mop, reducing the time taken to complete the cleaning process considerably.

Mirrors

PVA Micro x 5

Unique combination of microfibre and PVA for fast streak free cleaning on edges and small surfaces.

Trigger Bottle

Spray the surface to be cleaned or directly onto the interior pad.

Telescopic handle

Extends from 50-90 cm allowing easy cleaning upto 2.5 m high.

35 cm Duo Plus Frame

Double sided frame with peeler for easy removal of interior pads after use

Interior Pads x 3

100% Microfibre for streak free cleaning of interior surfaces. Double sided to reduce risk of smearing when pad becomes dirty.

Stainless steel

Whiteboards

Desks

Glass

Tiles
