SAFETY Brand

Jackson Safety* Nemesis* CSA Safety Eyewear

Features

- **Certified to CSA 94.3-07 by the CSA Group**, authorized to bear the CSA Certification Mark, and meets the ANSI Z87.1+ standards for optical requirements and **impact protection**
- Polycarbonate lenses provide **99.9% UVA/UVB/UVC protection** to help prevent eye damage like cataracts, retinal damage, and other conditions that can cause temporary vision loss
- Lightweight, wraparound style is designed for **maximum user comfort**, to help users resist the urge to move the glasses to the top of the head, instead of on the face, where they belong
- **Sporty wraparound lens design** makes Nemesis* CSA Safety Eyewear a great choice for protection for work or play
- A wide choice of lens options for different environments help to **reduce eye fatigue**

Unsurpassed durability is just what you'd expect from a trusted leader recognized for high-quality, reliable eyewear

Gravity feed display box

Number denotes the base curve of the eyewear; a higher base curve provides more wraparound protection and peripheral vision, and can reduce the need for side shields
