

TECHNICAL DATA SHEET

LEMON / MOP OIL

Dust Mop and Wood Treatment

Code: LEOI

Resistol Lemon / Mop Oil is a floor and furniture treatment that protects, cleans and shines. Use LEMON / MOP OIL for a fresh lemon scent and treatment formula that keeps your floors & furniture looking shiny, clean and lustrous. LEMON / MOP OIL is great for cleaning and helping restore the natural wood look of furniture.

DIRECTIONS FOR USE:

Dust Mop Treatment: Apply Lemon Oil on the mop by spraying directly onto the dust mop 2 or 3 times. Proceed with dust mop cleaning and add more LEMON / MOP OIL as required. **Furniture Cleaning:** Apply a thin coat of LEMON / MOP OIL on a dry cloth or sponge and wipe wood furniture to a nice finish. Repeat as necessary. Do not contaminate food, feed or potable water during use. Do not use on food contact surfaces. The amount of product used should not be in excess of that required to achieve its intended technical effect.

NOTE: Do not let product spoil food, feed or potable water during use. Do not use on food contact surfaces. The amount of product used should not be in excess of that required to achieve its intended technical effect.

STORAGE: Keep in a tightly sealed container in a well-ventilated room. Do not store on surfaces that may come into contact with food products. Keep from freezing.

PHYSICAL PROPERTIES

Boiling Point: > 285°C

Specific Gravity (H₂O =1): 0.85 at 20°C

% Volatile (Wt%): 0

Solubility in Water: Insoluble

pH (as supplied): Not Applicable

Odour Threshold (ppm): N/A

Appearance and Odour: Yellow liquid, lemon odour

GHS Class: ASPIRATION HAZARD - Category 1

CFIA: Accepted

Vapor pressure: (mm Hg): 0.02

Vapor Density: (Air=1): < 1

Evaporation Rate: (Water = 1): N/A

Flash point: > 120°C

TDG Classification: Not regulated

Physical State: Liquid

Viscosity: N/A

Please Recycle

- All of our containers are fully recyclable
- Our boxes contain at least 50% recycled fibre
- Our labels use FDA approved vegetable based ink
