

# PolyKleen\*

## Technical Data Sheet #9150

All-purpose cleaner

PolyKleen\* is a safe and powerful all-purpose cleaner. Its blend of natural and organic solvents exceeds the cleaning power of many products made from petroleum, butyl and caustic soda. PolyKleen\* can easily clean production equipment, heavy machinery, engine blocks, oil reservoirs, automobile parts and any dirt or greasy residue. This product can be used in food facilities.

### Advantages

- Frais parfum d'agrumes
- Nettoyant tout-usage puissant

### Physical and chemical properties

Apparence .....	Liquide jaune fluorescent
Odeur .....	Agrumes
Viscosité (25 °C) .....	< 10 cPs
pH (25 °C) .....	10,7 - 12,3
Solubilité .....	Soluble dans l'eau
Poids spécifique (25 °C) .....	0,995 - 1,015
Inflammabilité .....	Ininflammable
Stabilité .....	Stable entre 10 °C et 40 °C
Entreposage .....	Éviter le gel et la chaleur excessive

### Dilution rates

114 L

### Available formats

2L
