

FLOOR CARE

Spray-N-Glo[®]

spray buff concentrate

TECHNICAL DATA SHEET

Packaging Code
4 x 4 L 1528278001

Description:

SPRAY-N-GLO is a fast acting ultra modern way to maintain gloss appearance levels and slip resistance as part of a planned spray burnishing maintenance schedule. SPRAY-N-GLO is a blend of active ingredients which is compatible with most floor finishes and is highly effective in removing heel marks and scuffs.

Use Direction:

Shake well before using.

1. If necessary, sweep with a dust mop after spray-buffing.
2. Spray a fine mist of undiluted concentrate on the floor. Do not overwet.
3. Buff immediately with a nylon or polyester spray-buff pad.

NOTE: Floors should have a minimum of three coats of finish applied, the last coat applied at least 48 hours before commencing spray-buffing.

Technical Specifications:

Appearance	Opaque liquid
Colour	White
Odour	Cherry
Specific Gravity	0.930 – 0.950
pH	8.5 – 9.5
Refractive Index (% Brix)	23.0 – 24.0%

Security:

HEALTH	2
FLAMMABILITY	1
REACTIVITY	0
PERSONAL PROTECTION	X
X =	See SDS
0 =	Insignificant
1 =	Slight
2 =	Moderate
3 =	High
4 =	Extreme

Note:

The data presented herein is based on experiments and information believed reliable. However, we can make no guarantee on performance of, or results obtained through the use of the product herein described owing to varying conditions in laboratories and plants over which we have no control. Neither can any guarantee be given that the products or uses outlined will not infringe any existing patents.
