

SprayPro

Floor cleaning made easy

Just spray and mop

SprayPro is the professional, ready-to-use floor cleaning system containing all you need for bucket free mopping. Just fill the handle with water and you have everything you need to clean hard flooring and staircases in one easy-to-use unit.

It's professional

Don't be fooled by the attractive and sleek looks of SprayPro! It's a highly professional tool, designed to make a difference wherever speed, ease of use and lack of storage space are issues.

It's fast and easy

SprayPro is always ready to use – simply fill the handle with water/solution, close the cap and you're ready to clean.

To add water to the floor – just pull the trigger and continue mopping. No need for time consuming wringing of mops or filling/emptying heavy buckets. You can quite simply leave them behind.

It's flexible

Wet, damp or dry mopping? Washing facilities or not?

No problem. As SprayPro is compatible with all Vileda Professional floor cleaning systems, SprayPro is easily adapted to your on-site conditions and needs – no matter the cleaning task.

It reduces your costs

SprayPro is so easy to use that it requires no training, making it ideal for use by both semi-professional and professional cleaners.

Also it keeps costs down, as you don't have to invest in buckets and presses.

Fill the supplied jug, or your own bottle, with solution.

Open the cap, fill the handle with solution and close cap.

Press the trigger to spray solution onto the floor.

Start mopping.

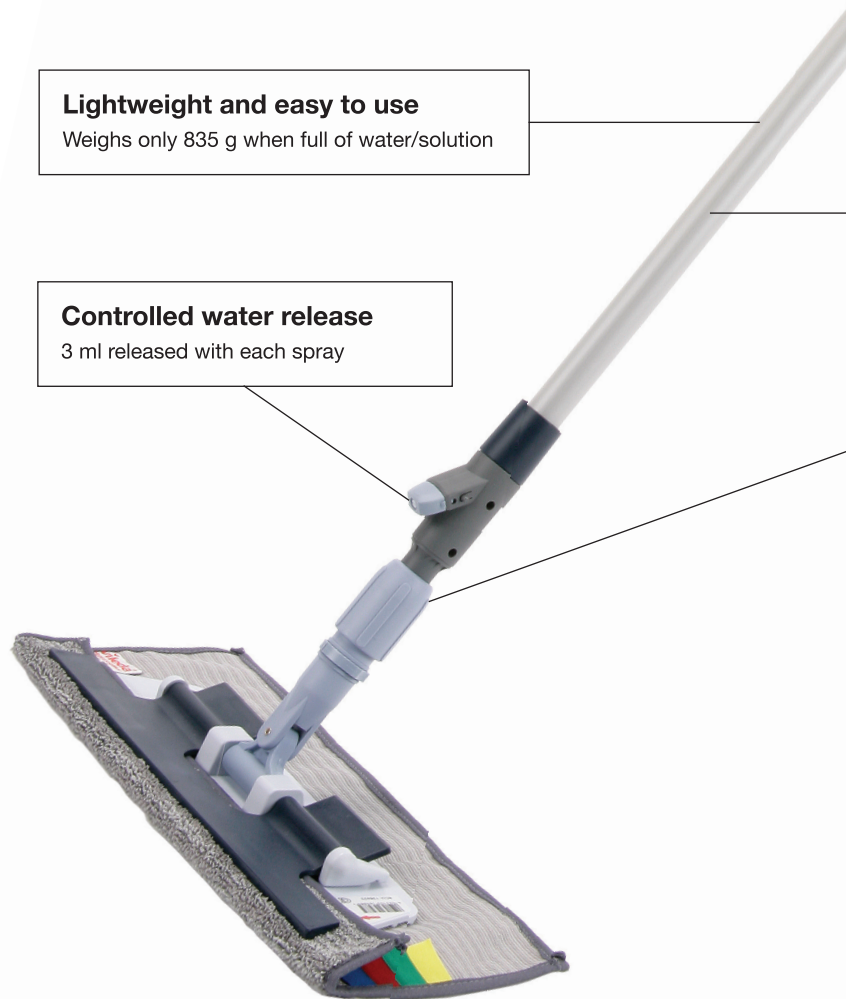

If more solution is required – just press the trigger again.

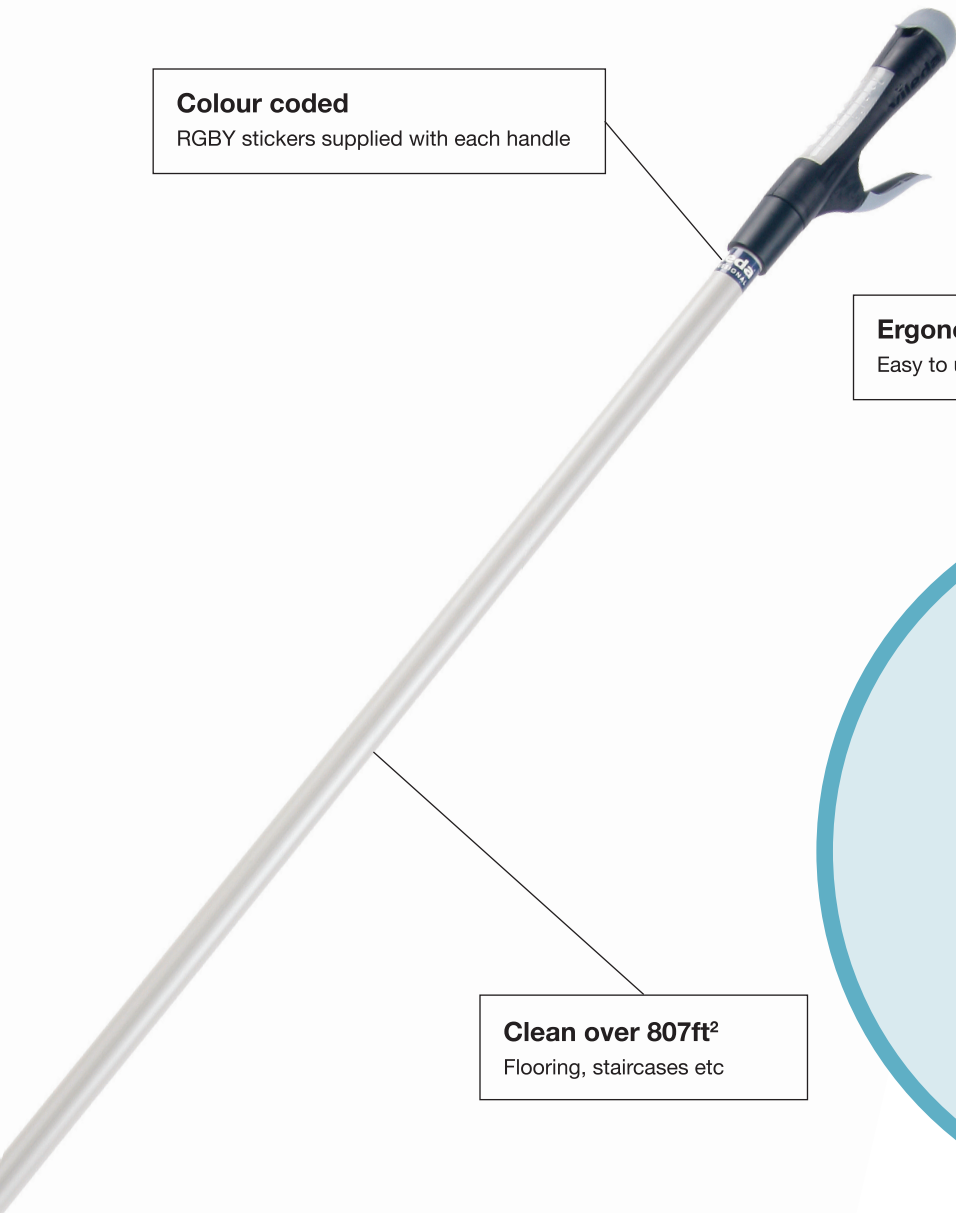

Lightweight and easy to use

Weighs only 835 g when full of water/solution

Controlled water release

3 ml released with each spray

Colour coded
RGBY stickers supplied with each handle

Watertight cap
Large, easy-to-fill opening
