SureFlo® Tank-In-A-Box Soap System serves up to five dispensers.

Now dispensing green.
Saving green, too.

SureFlo System reduces custodial time by 80%.

SureFlo System now dispenses UL ECOLOGO certified Bobrick lotion soap.

HYGIENIC

RICH, BIOBASED GREEN CERTIFIED HAND WASHING SOAP

- UL ECOLOGO is a life-cycle based, multi-attribute environmental certification program
- Formulated to be effective, non-toxic, biodegradable, and environmentally responsible

Being green and seeing green. 

SUSTAINABLE

POST CONSUMER WASTE REDUCTION

- Tank-In-A-Box packaging is made from 100% renewable recyclable fiber
- One Tank-In-A-Box of soap equals 12 jugs of bulk soap

LABOR SAVINGS

CUSTODIAL TIME REDUCED BY 80%

- Convenient, front-access cabinet for one-minute changeovers
- Changeover of five undercounter cartridges takes 10 minutes
- Low-level soap indicator reduces out-of-soap condition
