

TruCLEAN Mop Frame

22-38
TruCLEAN Mop Frame

Product Details:

High-grade stainless steel mop frame can be maneuvered onto floors, walls, ceilings, baseboards and confined areas such as corners or stairs. Low profiled, swivel frame efficiently cleans under fixtures or other hard to reach areas. Permits mopping in an "S" motion. Accurately balanced to deliver continual surface contact at any angle. Swivel joint locks into position allowing for maximum contact pressure. Quick-squeeze, frame-locking mechanism allows contaminated mop head to easily be replaced.

Compatible with gamma, ethylene oxide and autoclave sterilization. (Up to 250°F/121°C for 30 minutes)

Dimensions: 15½" Length, 3 7/8" Width

Features & Benefits:

- Designed specifically for use in controlled environments.
- Impervious to most chemicals, will not rust, corrode or oxidize.
- Included with all TruCLEAN Mopping Systems.
- Compatible with all TruCLEAN Mops.
